

Health and Safety Management for Outdoor Events

Workshop Overview

Overview

Health and safety is a fundamental area when planning outdoor events as the risks increase substantially. This one day workshop explores health and safety, and legal requirements specifically for outdoor events that event organisers need to consider in order to deliver a safe event.

Participants will look at:

- The health and safety plan
- Effective risk assessments
- Licensing and permissions
- Crowd control
- Emergency planning
- Communications
- Food, drink and waste
- Security and stewarding
